..... *Our Inspiration*

Shri. Iswar Chandra Vidhyasagar

In the footsteps of a great humanist

The school is founded on the noble ideals of the eighteenth century visionary, Shri. Iswar Chandra Vidhyasagar, the indomitable champion for the cause of education, particularly that of women. Vidhyasagar Educational Trust is a group of inspired educationists who have imbibed the same spirit and are determined to bring a global quality education to people of Chengalpet and its vicinity. The school is truly global and secular in outlook, and knows no caste, creed or race.

.....

Vidhya Sagar Global School endeavors to develop value based global competencies through Quality education, state-of-the-art infrastructure and fun-filled learning environments.

Our Vision

Vidhya Sagar Global School endeavors to develop value based global competencies through Quality education, state-of-the-art infrastructure and fun-filled learning environments.

Our Mission

To provide world class schooling to children of the emerging India's modern families, an education that truly embodies the best in our own culture and the world cultures; and to promote in the child a thirst for true knowledge and wisdom; and to realize the same by providing a world class environment fully equipped with the latest and relevant educational technologies and materials.

Mr. Hastimal Surana
Chairman

A Sylvan setting

Vidhya Sagar Global School is located on the National Highways (NH 45) on the outskirts of Chengalpet, just a 30 minute drive from Chennai. Nestled amidst the green paddy fields and facing an exquisite range of hillocks, VSGS provides an ideal setting and ample open space for your child to breathe the air of freedom and unpolluted ambience. Really an inspiring start to a child stepping into the world of learning and growing.

Digi Class

The classroom becomes a collaborative, student-centered learning environment where two-way communication among students and teachers can take place.

Students know immediately what they understand and what they do not by receiving instant feedback on their responses. This helps students in visualizing complex topics resulting in better understanding, retention & improved grade patterns.

Robotics

VSGS is known for value based and sophisticated scientific education. Global School mainly focuses on imparting quality education to the students. For achieving these lofty ideas, our School strives hard to draw out an all round development of their wards. For this purpose a Robotics Lab is opened for the Primary and Middle School Children, where they learn to construct the Robots and do programming.

Our Curriculum

The School is affiliated to the Central Board of Secondary Education, New Delhi. The syllabus is constantly evolving and is hailed as one of the best among the school programs worldwide. The school follows the curriculum evolved by the CBSE followed in India and many countries in Asia.

As far as the learning strategies and evaluation, the CCE or Continuous Comprehensive Evaluation scheme proposed by CBSE forms the basis of our academic programme. CCE implies regular assessments, formative assessments, summative assessments, analysis of scholastic and co-scholastic areas, corrective measures with feedback.

Sole Lab

Vidhya Sagar Global School has been conferred with the MS Innovative School Award, which is one of the four schools in Tamilnadu, to set up Self Organized Learning Environment (SOLE LAB).It enables the Elementary and Middle School Children to learn in collaborative work with close guidance of teachers through a digital platform.

Tab Lab

A Tab Lab is an advanced and innovative technology which helps the students to learn an academic topic in a more detailed manner. With the help of Tablets, pupils have an intensive knowledge in the subject. Students of Middle School, High School and Senior Secondary use Tablets in the Tab-Lab to enhance their skills.

Wordsworth Lab

VSGS gives a top priority to the English language as it is an international language. To improve the proficiency in English language, a Wordsworth English lab is opened for all the students of classes 6 to 11. Children attend the lab every week and learn all the Listening, Speaking, Reading and Writing skills.

World Class Facilities

Conscious of the prevailing standards in education, the school spares no efforts to add to the facilities and undertakes all the possible initiatives for the betterment and growth of the students and, in turn, the institution.

The school has well-equipped classrooms, aesthetically designed to please the young learners just weaned away from mothers. Comfortable staff rooms, a language lab, a computer lab, Dance room, Art room and an Audio-Visual room, all contribute to enhance the learning experience and life during the vital years of their growth. It has always been acknowledged by the parents that the students of VSGS have always looked forward to coming to school everyday.

The school has a state-of-the-art swimming pool, Basket ball court, Volley ball court, Foot ball ground and Cricket ground, well maintained by the physical education department.

Co-Curricular Activities

Life at VSGS is never confined to the four walls of the classrooms. It goes much beyond to the valleys of life as they explore nature, experiment with the unknown and finally discovering their own divinity expressed through life in its myriad forms and activities. Some of the excitements are listed as follows:

A rich array of learning tools

The school understands and places a special emphasis on the quality of modern learning equipments such as educational toys and learning materials. Many of them are imported for their child-safety standards and proven pedagogical potential. Fun at VSGS is very purposeful.

The classrooms for the kindergarten children are fully equipped with a wide array of materials that facilitate an interactive learning and another fun-filled day right in the school.

Our hand picked teachers

The school understands that an inspired teacher can make all the difference in the life of a child. Nothing can compensate for the absence of a powerful human factor during the formative years. The reason why our teaching faculty comprises only of fully qualified and experienced teachers hand-picked for their love of the profession.

The school has also chalked out a developmental strategy with a series of in-service training programs to keep the teachers motivated and energetic.

An environment so safe

VSGS also provides the safest environment for your child during the day so that you can rest assured with the guarantee that your child will never be away from the watchful eyes of our trained supportive sisters staff or teachers.

The school adheres to pure vegetarian practices. We also have a full time medical nurse on campus. Children also will be given snacks, light refreshment and energy drink everyday.

Truly Home away from home

The campus is custom-built keeping in mind the needs of the growing children. The swimming pool specially designed for the students from age 3. The play area and the construction have all been designed keeping in mind the comfort and safety of your child. Be assured that it will truly be a home away from home.
